Mayport	Hanna Park	500 Wonderwood Drive, 32233			views. Parking fees \$1.00 8-10 am, \$3.00 10am-closing	
			North on Mayport Rd (A1A) from Atlantic Blvd or from the Ferry on the south bank of the river heading southwest on Mayport Rd (A1A). Entrance to the park is before you reach the village of Mayport (less than 1/4 mile before it). Road bends and you can see the river to the left almost next to the road (heading toward Mayport). Entrance to the park is to the far lefthand side of the area/left of the road. There is a sign on a fence but lots of vine may be obscuring it. Caution: the "road" into the park is getting bad, one lane for about 50 yards, lots of pot holes-go slow. After you clear that, the road widens quite a bit, but it becomes dirt and there are two large low dips that collect water, and it's hard to tell how deep they are. The road ends at a fairly sizable parking lot about 1/4 mile in. It's dirt and I hear it's getting very deep with sand so be cautious not to get stuck (11/2014).
